Development and Peace - Jesus cared passionately for "the ones with the least", and his life and mission were a cry for justice and for liberation of the poor. Throughout the Gospels, Jesus tells us to listen to the cry of the poor and to give generously of what we have so that people everywhere can live their lives with the dignity that God intends for all human beings. Thank you for your generosity for "Share Lent". If you have not handed your envelope in, it is not too late. Peace to all. Caroline Meseric, D&P Rep.

Vocation View – We're no longer nobodies. Jesus rose from the dead. He promises to take us to heaven too. Our Ultimate Vocation: Union with God!

Sharing the Joy of Stewardship – In Luke's Gospel Mary Magdalene is described as being one of the women "*who used their own resources to help Jesus and his disciples.*" She was a good steward, and in today's Gospel she is rewarded, God blesses her with being the first to see the Risen Lord. Making stewardship a way of life always begins with a personal relationship with the Risen Christ. We pray that we may be as faithful as Mary Magdalene in our discipleship and stewardship, and enthusiastically announce Christ's resurrection.
