Vocation View

– Whom the Lord loves, He disciplines. The best way to lead others through the narrow gate is to be formed and disciplined as a leader. Then you can go through the narrow gate, yourself.

Stewardship – Faith on Fire, Hearts & Minds Transformed – *The Fruits of Stewardship*

The fruits of stewardship to the parish are obvious. Things like enhanced liturgies and outreach ministries are just two examples. The truth is that stewardship is a lifestyle that benefits, not just the parish, but the person. Stewardship's full potential will only be realized when leaders in stewardship are willing to take the focus off the needs of the parish and place it on the day-to-day real life benefits to the person. People who embrace stewardship as a lifestyle will enjoy many rewards. The two primary benefits are a peace of mind that can only come from trusting in our good and gracious God, and balance amid our culture's rampant consumerism and materialism.
